Men at work – HPS working bee.

Saturday Morning: 25th of February 9am – 12pm

WHO: Calling all Men of Hamilton South Public School (HPS). (Sorry, no children due to safety and supervision issues. Family working bees will be held in alternate terms.)

WHAT: We are trialling a new program of twice yearly working bees specifically for men with family members attending HPS (including but not restricted to fathers, stepfathers, grandfathers of students).

WHEN: The 4th Saturday of Term 1 - 25th February 2012 (and the 4th Sunday of Term 3 - 12th August 2012).

WHY: The Project aims to:
1. Complete a range of landscaping projects including improvements to the children’s playgrounds and the creation of interesting play features in the playgrounds, and
2. Provide an opportunity for you to become more involved in the school community, meet and socialise with other fathers and to have a bit of fun making your children’s playtime at school more enjoyable and exciting.

***No specific skills or level of fitness are required – Everyone is welcome!***

However, anyone who has specific skills or knowledge, such as landscaping, concreting, woodwork, stone cutting or general ‘handiness’ etc. would be a wonderful asset to our proposed projects.

DETAILS:

Please meet at the Infant COLA at 9am for project allocation and explanation.

The working bee will still proceed even if raining – it’s only a bit of water . . .

For more details or further enquires please phone or email Kristen Ellis/Klimpsch on 0409 609 360 or kkristen@hunterlink.net.au .

In order to better plan the working bee could you please indicate availability below and return this section of the note to the school office:

Student: ___________________________ Class: ______

Who's coming along: ___________________________

☐ Yes, definitely coming. → And I can bring my own ☐ shovel/mattock
☐ Not sure yet if I can make it or not. ☐ wheelbarrow
☐ No, not available to help out. ☐ Other
