

### **PARENTS AND CITIZENS' ASSOCIATION INCORPORATED (P & C)**

The Hamilton South Parents and Citizens Association is a body which is vitally concerned with education and works for the benefit of every child in the school. It is fully involved in the life of the school and is not regarded as purely a fund raising organisation. With this in mind you are warmly invited to become an active member, sharing in that involvement. Parents are represented on many of the school committees formed for special purposes: Key Learning Areas, Student Welfare, The Environment and School Watch, Management and Planning.

***The Parents and Citizens Association meets at 7.30 pm on the third Wednesday of each month in the Staffroom in the Administration Building.***

The P & C **Auxiliary Committee** contributes greatly to fund raising in the school and has a weekly Craft Group which welcomes new participants. They meet each Wednesday at 9.00am in the school hall.

**Team Planet** is our environmental group. The team meets the first Wednesday of each month at 5.30pm in the Staffroom in the Administration Block. We are always looking at ways we can improve our goal of sustainability.

### **THE CANTEEN**

Our School Canteen is staffed from 9.00am till 2.00pm on each school day by parents and friends who give their time and service to prepare wholesome lunches for all students who wish to order them.

The Canteen Committee would greatly appreciate your volunteering to be rostered for one day per week, fortnight or month. Parents wishing to become more involved in the decision making aspects of the canteen are welcome to attend the Committee meetings on the second Wednesday of each month at 7.00pm in the Staffroom in the Administration Block.
