

THE SCHOOL SONG

Tune: The Dambusters' March

Proudly, with high endeavour,
Marching through school life together
Holding Learning's torch on high,
This will never die!
Fair play and truth will uphold us,
Hard work and courage will mould us
Into men and women who are brave
and strong.

Hamilton South, we acclaim you!
School without peer, we proclaim you!
To keep your name and fame so high
We shall ever try!
Then, when our school days have ended
And separate ways we have wended,
Mem'ries fond we'll treasure still of our
fair school.

THE SCHOOL PLEDGE

I honour my God,
I serve my country,
I will be loyal to my school at all times.

THE SCHOOL CREED

This is our School,
Let it be a place for happy hearts
And willing hands,
Where we shall learn to work, play and share
With honesty, loyalty and respect.

THE SCHOOL PRAYER

Thank you for our School
at Hamilton South,
For the staff who guide us,
For the friends with whom we learn and grow.
Help us to always live in peace
and harmony,
Understanding and caring for all
we know.

Amen.
